

REOPENING STATEMENT

KK's Steel Mill are thrilled to welcome you all back to full capacity, following the government announcement that legal restrictions are to be lifted.

Please see the information below as a guidance to how the venue will now operate post COVID restrictions.

- **Please do not attend any event if you have Covid-19 symptoms.**
- **Please do what you can to help reduce risk – get vaccinated and/or get tested. We will not be asking for Covid Status Certification, but we ask you to do what you can.**
- **Staff will be allowed to continue to wear masks and will be offered regular tests.**
- **Customers may wear masks if they wish to, but they will not be mandatory**
- **We will continue our increased cleaning regimes, particularly contact points. We encourage regular hand washing, and hand sanitiser will still be available.**
- **Customers encouraged to still check-in on the NHS Test and Trace app.**

We're so excited to welcome you back, but please respect each other and do what you can to help us welcome you back as safely as possible.
